DBMS Lab 2025-26 (Sem04)

PROJECT SCOPE

- Environment : Project will be developed in PostgreSQL wholly, to run on psql.
- It will be Menu driven as in text based interactive / whatsapp applications.
- Emphasis will be given to use of concepts covered in the syllabus.
    a. Constraints, Indices, Sequences
    b. Aggregates, Nested-Queries
    c. Procedures, Functions, Cursors, Triggers, Control loops
    d. Exceptions
- Project Report will contain the following:
    1. Problem statement
    2. ER Diagram and Relational Schema
    3. DDL, constraints
    4. Menu and sub-menus, Report Layouts
    5. Program Codes
    6. Sample outputs

- After design, and before development, there will be a design (and scope) review and approval.
- After completion, there will be Project Presentation & Demo and QA along with Project Report.

Assignment of Projects to Groups is as follows:

Group#	Project#	Project Name
01	03	Library Portal
02	06	Events Portal – Cultural
03	05	Events Portal - Athletics and Sports
04	02	Hostel Management
05	04	Events Portal – Technical
06	01	Student Portal

Project Details and Group List follows.

PROJECT LIST

DbLab 2025-26 (Sem04)

University Ecosystem

1. **Student Portal**
   Register for semester with electives
   Fees payment
   Approval of electives
   Exam MidSem, EndSem results and TA
   Student marksheets
   Academic Awards

2. **Hostel Management**
   Registration and payment
   Food options, bills and payment
   Menu to ingredient forecast
   Forecast and Purchase of groceries, etc
   Complaints handling of Hostel and Mess

3. **Library Portal**
   Books, Journals, Periodicals – Demand/Indents, Purchase and registration, Disposal
   Member – reg/deregistration, issue, return, fine, etc
   Notices and Announcements
   Usage review reports
   Complaints handling of Library

4. **Events Portal – Technical.** (Seminars, Exhibitions, Competitions)
   Schedule / calendar of events.
   Event Announcement & Registration
   Execution
   Performance recording and analysis
   Technical Awards

5. **Events Portal - Athletics and Sports.** (Events and Tournaments)
   Schedule / calendar of events.
   Event Announcement & Registration
   Execution
   Performance recording and analysis
   Sports Awards

6. **Events Portal – Cultural.** (Events, Celebrations, Competitions)
   Schedule / calendar of events.
   Event Announcement & Registration
   Execution
   Performance recording and analysis
   Cultural Awards
